CORE COMPETENCIES

- Operational & Administrative Support
- Vendor & Subcontractor Coordination
- Facilities Support & Site Coordination
- Workforce & Project Coordination
- Scheduling & Customer Communication
- Process Improvement & Workflow Optimization
- HR & Workforce Development Consulting
- Government Contracting Support

DIFFERENTIATORS

- 30+ years combined military logistics, large-scale commercial operations management, and independent business consulting
- Central Florida based — proximity to MacDill AFB, Patrick SFB, Cape Canaveral, and VA VISN 8 healthcare network
- Direct principal access — fast decisions, no layers, no handoffs
- Structured for SDVOSB subcontracting, teaming, and prime contractor support
- Right-sized for \$25K–\$500K task orders without large-firm overhead

PAST PERFORMANCE

Manager — CarMax (5 Years)

- Directed \$86M annual retail operation across all facility functions
- Coordinated 50+ vendors and service contractors simultaneously
- Managed workforce of 100+ employees including scheduling and performance
- Oversaw full facility operations, maintenance coordination, and compliance

Principal Consultant — Independent Firm (20 Years)

- Served 100,000+ clients across retail and hospitality sectors
- Delivered \$20M+ in documented client revenue growth
- Advised on operations, HR strategy, workforce retention, and sales performance
- Built and managed all business operations, contracts, and client relationships

U.S. Air Force — Logistics Specialist, 645X0

- Managed \$50M+ supply chain and logistics operations
- Supported mission-critical logistics at RAF Mildenhall (UK) and Charleston AFB (SC)
- Coordinated inventory accountability, distribution, and facility support functions
- Operated within structured military installation environments — FAR-adjacent discipline
